

# Hazel

SUMMER 2 NEWSLETTER 2023

## Our final term of Reception!

This half term is always a very exciting one, filled with sunshine, lots of water activities and preparations for our move to Y1!

We look forward to our annual fruit-picking trip to Tuesley Farm and of course, Sports Day. Don't forget to pack a sunhat and water bottle each day so we can make the most of the warmer weather!

## Talk 4 Writing

We begin this half term with an exciting pirate adventure, told in the book **The Night Pirates** by Peter Harris. We will use the text to link with maps and some water-related experiments!

We will then move on to read **The Rainbow Fish**, with a look at a non-fiction text about these beautiful underwater creatures. We will find out more about the oceans of the world and the animals that live beneath the waves.

## Maths

This half term we will be spending some more time on **addition** and introducing **subtraction** in practical contexts.

We will be working on counting backwards and forwards within 20 and then beyond.

Hazel class will also revisit doubling, odd and even numbers, bonds to 10 and sharing/grouping.

# Dates for the Diary

- 5.6.23 - Half term begins,  
School photos day  
Open Classrooms
- 14.6.23 - Hazel Class Assembly
- 28.6.23 - Bump Up Day
- 3.7.23 - Open Classrooms
- 4.7.23 - Fruit Farm trip
- 21.1.23 - End of Term

Our value this half term is:  
**COURAGE**

## Things to remember:

As the weather gets warmer, please send your child to school with a sunhat and water bottle

## We are collecting!

Before you throw them into the recycling, Hazel class are collecting this half term:

kitchen roll tubes

egg boxes

corks

plastic tubs

## How to help at home...

-  Practise reading the tricky words automatically
-  Recall all the pairs of numbers that go together to make 10 e.g. 6 and 4, 3 and 7
-  Visit the library and borrow some books about our new learning theme!
