LEGACY – Over 3000 years later we are still using Ancient Greek ideas in maths, science and art. Our alphabet is based on the Greek one and in the dictionary you'll find hundreds of words that come from the Greek language.

The Greeks development of democracy is still our main form of government today. They also invented the theatre and the Olympic Games which we still enjoy today.

Alexander the Great (the King of Macedonia) led his army all over Greece, Persia, Egypt and even parts of India and spread the ideas of the Greeks. When he died the Romans continued to spread their ideas to more countries, including Britain.
